百麒實業以熱忱的心服務客戶近20年，每年都在研發及創新中成長，今年更推出全新包裝型態 G-Box 系列及其整廠輸出技術。G-Box 系列擁有多項專利，是符合環保 3R 的緩衝包裝體。G-Box 機台特別設計成直立式進料製作流程，大大的節省了生產空間，機台小巧而簡易操作。

Dedicated to serving clients and growing steadily amid R&D and innovation, Green Pack Enterprise recently introduced the G-Box packaging series and turnkey plant. Multi-patented, the G-Box is a cushion packaging meeting 3R (recycling, reuse, reduction) eco-friendliness requirements. Compact and easy-to-operate, the uniquely-designed, automated G-Box production line features vertical in-feed and processing to save working space and cut cost.
